Feb 2023

Dear Community Partner:

We are pleased to announce that Morongo Basin Healthcare District and the Town of Yucca Valley have, once again, partnered to bring another Community Health and Resource Fair to the Basin on **May 6, 10 a.m. to 2 p.m.** at the Town's Community Center.

The purpose of the fair is to provide information and resources to our community. Historically, this event has drawn favorable attention because of the large number of vendor booths and quality information presented. We expect a sizable number of visitors because of the extensive promotion of the event. Local radio station Z107fm will broadcast live during the event.

Attached is the health fair Vendor Application form for your attention. We encourage you to submit the completed form and forward it to Sheree Fansler by **April 21**. The sooner we receive your application, the better placement of your assigned booth. Prompt registration will insure you will be assigned a booth inside the main hall.

Chairs and tables will be provided by the Town of Yucca Valley for booths inside the Yucca Room; vendors located outside of the main building must provide their own table, chairs and pop-up. We encourage you to have a give-away item for those who visit your booth.

Special vendor parking will be designated so that community guests have access to the event. Vendors will be required to park in the designated parking lot once unloaded.

Please direct your event questions to Sheree Fansler at 760-366-1546. We look forward to seeing you on May 6.

Respectfully,

Joe Ruddon
Director Business Development
